LARCHMONT CHARTER SCHOOL, INC. FISCAL POLICIES AND PROCEDURES

INTRODUCTION

The purposes of the fiscal policies is to outline internal control policies that provide Larchmont Schools with the foundation to properly safeguard its assets, implement management’s internal policies, provide compliance with state and federal laws and regulations, and produce timely and accurate financial information. Additionally, as a publicly supported entity, Larchmont Schools has responsibilities to ensure the public’s confidence and the integrity of the schools’ activities.

It is the intent of these fiscal policies to implement both the letter and spirit of all applicable State and Federal regulations regarding the expenditure of and accounting for public funds. These fiscal policies may need to be modified as Larchmont Schools develops and regulations change. The Board of Directors (“Board”) should approve these fiscal policies, and revisit them periodically.

Definitions of terms used in this document

Larchmont Schools is defined as both Larchmont Charter School and Larchmont Charter School—West Hollywood. For the purposes of this document, it may be used as “the School.”

The Board of Directors (“Governing Board”) is the managing entity of all of Larchmont Schools’ activities and affairs, as outlined in Larchmont Schools’ bylaws.

School Leader is defined as Principal, Head of School and Assistant Principal when noted as such. (We need to clearly define what Assistant Principals’ authority is/add something here, based on what we want.)

Payroll Manager is the employee assigned by the School Leader to process payroll.

School Site Office Staff is defined as an admin position, assigned with specific responsibilities related to fiscal policies from the School Leader. Depending on the school, this may be an Office Clerk, Office Manager or Business Manager.

Accounting back office is defined as EdTec, the contracted financial support services company. Finance Committee is an approved committee of the Board of Directors.

Network Support Office is defined as the office of central support for Larchmont School and Larchmont Charter School—West Hollywood.

Overview

The Governing Board of The School has reviewed and adopted the following policies to ensure the most effective use of the funds of the School to support the mission and to ensure that the funds are budgeted, accounted for, expended, and maintained appropriately.

1. The Governing Board formulates financial policies, delegates administration of the policies to the Executive Director and reviews operations and activities on a regular basis.
2. The Executive Director has responsibility for all operations and activities related to financial management.
3. Financial duties and responsibilities must be separated so that no one employee has sole control over cash receipts, disbursements, payrolls, and reconciliation of bank accounts.

1. The Governing Board will appoint an audit committee by January 1 to select an auditor by March 1 prior to year end (June 30th).
2. Any persons with expenditure authorization or recording responsibilities within the school may not serve on the committee.
