

March 26, 2014

Mr. Eugene Straub  
Executive Director  
Larchmont Schools  
815 North El Centro Avenue  
Los Angeles, CA 90038

Dear Mr. Straub,

We are pleased to confirm our understanding of the services we are to provide for Larchmont Schools Charter No. 0717 and 1040 for the years ended June 30, 2014 and 2015, respectively.

We will audit the financial statements of Larchmont Schools, which comprise the statement of financial position as of June 30, 2014 and 2015, respectively, and the related statements of activities, functional expenses (if applicable), and cash flows for the years ended June 30, 2014 and 2015, respectively, and the related notes to the financial statements. Also, the following supplementary information accompanying the financial statements will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, in accordance with auditing standards generally accepted in the United States of America, and our auditor's report will provide an opinion on it in relation to the financial statements as a whole:

- 1) Schedule of Expenditures of Federal Awards
- 2) Schedule of Average Daily Attendance
- 3) Schedule of Instructional Time
- 4) Reconciliation of Annual Financial and Budget Report with Audited Financial Statements

We will also prepare the organization's Federal and State information returns for the June 30, 2014 and 2015, respectively.

## Audit Objectives

The objective of our audit is the expression of an opinion about whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles *and Standards and Procedures for Audits of California K-12 Local Educational Agencies*, issued by the California Education Audit Appeals Panel as regulations; and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. The objective also includes reporting on:

- Internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*.

The reports on internal control and compliance will each include a paragraph that states that the purpose of the report is solely to describe (1) the scope of testing of internal control over financial reporting and compliance and the result of that testing and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance, (2) the scope of testing internal control over compliance for major programs and major program compliance and the result of that testing and to provide an opinion on compliance but not to provide an opinion on the effectiveness of internal control over compliance, and (3) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering internal control over financial reporting and compliance and with OMB Circular A-133 in considering internal control over compliance and major program compliance. The paragraph will also state that the report is not suitable for any other purpose.

If during our audit we become aware that Larchmont Schools is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with generally accepted auditing standards established by the Auditing Standards Board (United States) and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of OMB Circular A-133, and will include tests of accounting records, a determination of major program(s) in accordance with OMB Circular A-133, and other procedures we consider necessary to enable us to express such an opinion and to render the required reports. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or add an emphasis-of-matter or other-matter paragraph. If our opinion on the financial statements or the Single Audit compliance opinion is other than unmodified, we will discuss the reasons with management in advance. If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

## **Management Responsibilities**

Management is responsible for the basic financial statements, Schedule of Expenditures of Federal Awards, and all accompanying information as well as all representations contained therein. We will advise you with regard to tax positions taken in the preparation of the information returns, but the responsibility for the information returns remains with you.

Management is responsible for establishing and maintaining effective internal controls, including internal controls over compliance, and for evaluating and monitoring ongoing activities; to help ensure that appropriate goals and objectives are met and that there is reasonable assurance that government programs are administered in compliance with compliance requirements. You are also responsible for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with U.S. generally accepted accounting principles; and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is also responsible for making all financial records and related information available to us, and for ensuring that management is reliable and financial information is reliable and properly recorded. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the organization from whom we determine it necessary to obtain audit evidence.

Your responsibilities also include identifying any significant vendor relationships in which the vendor has responsibility for program compliance and for the accuracy and completeness of that information. Your responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the organization involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. In addition, you are responsible for identifying and ensuring that the Organization complies with applicable laws, regulations, contracts, agreements, and grants. Additionally, as required by OMB Circular A-133, it is management's responsibility to follow up and take corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan. The summary schedule of prior audit findings should be available for our review a week prior to the report date.

You are responsible for preparation of the Schedule of Expenditures of Federal Awards in conformity with OMB Circular A-133. You agree to include our report on the Schedule of Expenditures of Federal Awards in any document that contains and indicates that we reported on the Schedule of Expenditures of Federal Awards. You also agree to include the audited financial statements with any presentation of the Schedule of Expenditures of Federal Awards that includes our report thereon. Your responsibilities include acknowledging to us in the representation letter that (1) you are responsible for presentation of the Schedule of Expenditures of Federal Awards in accordance with OMB Circular A-133; (2) that you believe the Schedule of Expenditures of Federal Awards, including its form and content, is fairly presented in accordance with OMB Circular A-133; (3) that the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the Schedule of Expenditures of Federal Awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying for us previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other engagements or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, management understands that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

Certain communications involving tax advice are privileged and not subject to disclosure to the IRS. By disclosing the contents of those communications to anyone, or by turning over information about those communications to the government, you, your employees, or agents may be waiving this privilege. To protect this right to privileged communication, please consult with us or your attorney prior to disclosing any information about our tax advice. Should you decide that it is appropriate for us to disclose any potentially privileged communication; you agree to provide us with written, advance authority to make that disclosure.

### **Audit Procedures - General**

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the Organization or to acts by management or employees acting on behalf of the Organization. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from the Organization's attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

### **Audit Procedures - Internal Control**

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by OMB Circular A-133, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to OMB Circular A-133.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*, and OMB Circular A-133.

### **Audit Procedures - Compliance**

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of Larchmont Schools' compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

OMB Circular A-133 requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the "OMB Circular A-133 Compliance Supplement" for the types of compliance requirements that could have a direct and material effect on each of the Organization's major programs. The purpose of these procedures will be to express an opinion on Larchmont Schools' compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to OMB Circular A-133.

### **Annual Tax Return Preparation**

We will prepare the Exempt Organization Tax Form 990 and the corresponding State Returns – Form 199 from information you furnish to us and we may process them with an outside computer service. We will not audit or otherwise verify the data you submit, although, we may ask you to clarify some of the information.

It is your responsibility, to provide us with all the information required for preparing complete and accurate returns including but not limited to the auto, travel, entertainment, and related expenses and the required documents to support charitable contributions. If you have questions as to the type of records required, please ask us for advice in that regard. It is also your responsibility to carefully examine and approve your completed tax returns before signing and mailing them to the tax authorities. We are not responsible for the disallowance neither of doubtful deductions or inadequately supported documentation nor for resulting taxes, penalties, and interest.

You should retain all the documents, canceled checks, and other data that form the basis of the returns. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority.

We must receive all audit and tax information to prepare your return (as detailed above) no later than October 20. If, for some unforeseen reason, your data is not complete at that time, please submit whatever is ready. Be aware that if you submit your data later, it may be necessary to apply for an extension to file these returns. Ultimately, you may be subjected to late penalties on your June 30, 2014 and 2015, respectively, returns because of this delay.

We are responsible for preparing only the returns listed above. Our fee does not include responding to inquiries or examination by taxing authorities. However, we are available to represent you and our fees for such services are at our standard rates and would be covered under. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examinations, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred. Fees and services will be communicated in a separate engagement letter.

We will use our professional judgment to resolve questions in your favor where a tax law is unclear if there is a reasonable justification for doing so. Whenever we are aware that a possible applicable tax law is unclear or that there are conflicting interpretations of the law by authorities (e.g., tax agencies and courts), we will explain the possible positions that may be taken on your return. In accordance with our professional standards, we will follow whatever position you request on your return so long as it is consistent with the codes and regulations and interpretations that have been promulgated. If the IRS should later contest the position taken, there may be an assessment of additional tax plus interest and penalties. We assume no liability for such additional penalties, interest, or assessments. Additional services will be subject to arrangements made in writing at the time requested.

As your CPA, we collect information provided by you from your tax information, worksheets, documents, and will developed as part of this engagement. We are required to keep all information about our engagement confidential, so we will not disclose any information about you unless we have your approval or are required/permitted by law. This applies even if you are no longer a client. As your CPA, we are committed to the safekeeping of your confidential information and we maintain physical, electronic, and procedural safeguards to protect your information. Federal law has extended the attorney-client privilege to some, but not all, communications between a client and the client's CPA. The privilege applies only to non-criminal tax matters that are before the IRS or brought by or against the U.S. Government in a Federal court. The communications must be made in connection with tax advice. Communications solely concerning the preparation of a tax return will not be privileged.

In addition, your confidentiality privilege can be inadvertently waived if you discuss the contents of any privileged communication with a third party, such as a lending institution, a friend, or a business associate. We recommend that you contact us before releasing any privileged information to a third party.

It is our firm's policy to retain copies of your tax returns for seven years, after which they will be destroyed. However, we do not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. When records are returned to you, it is your responsibility to retain and protect your records for possible future use, including potential examination by any government or regulatory agencies.

By your signature below, you acknowledge and agree that upon the expiration of the seven year period Vavrinek, Trine, Day & Co., LLP shall be free to destroy our records related to this engagement.

## **Engagement Administration, Fees, and Other**

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

We understand that your employees will prepare all cash, accounts receivable, and other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to submit the reporting package (including financial statements, Schedule of Expenditures of Federal Awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include with the reporting package you will submit to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditor's reports or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audit.

We will provide copies of our reports to the Organization; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Vavrinek, Trine, Day & Co, LLP and constitutes confidential information. However, pursuant to authority given by law or regulation, we may be requested to make certain audit documentation available to California Department of Education or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Vavrinek, Trine, Day & Co, LLP personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of seven years after the report release date or for any additional period requested by the California Department of Education. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Matthew S. Miller is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them. We expect to begin our audit on approximately April and to complete your information returns and issue our report no later than December 15.

We estimate that our fees for these services will be \$8,500 for the audit and \$1,200 for the information returns. You will also be billed for travel and other out-of-pocket costs such as report production, word processing, postage, etc. No additional expenses are estimated at this time. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed even if we have not issued our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

Additional audit fees may be assessed if additional auditing services are provided for (1) any changes in reporting format and/or audit requirements as stated in *Standards and Procedures for Audits of California K-12 Local Educational Agencies*, issued by the California State Controller's Office or Governmental Accounting Standards Board, (2) any changes in the number of funds or accounts maintained by the Organization during the period under this contract, and (3) additional audit procedures required due to the lack of preparation for the audit on the part of the Organization. These fees shall be in addition to the above maximum fee for audit services.

Larchmont Schools shall pay the auditor in two installments throughout the year as the work progresses for the not to exceed amount. The first installment will be in September and will represent up to 90% of the total contract. The final installment will represent the 10% withheld amount pursuant to Education code 14505 and will be presented for payment upon certification by the Controller that the audit report conforms to the reporting provisions of the Audit Guide. All billings for additional audit fees or services will be billed as these services are provided. In accordance with Education Code Section 14505 (b), Larchmont Schools shall withhold fifty percent (50%) of the audit fee for any subsequent year of multi-year contract if the prior year's audit report was not certified as conforming to reporting provisions of the audit guide. This contract shall be null and void if a firm or individual is declared ineligible pursuant to subdivision (c) of Section 41020.5. The withheld amount shall not be payable unless payment is ordered by the State Board of Accountancy or the audit report for that subsequent year is certified by the controller as conforming to reporting provisions of the audit guide.

*Government Auditing Standards* require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our 2011 peer review accompanies this letter.

If a dispute arises among the parties hereto, the parties agree first to try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its Commercial Mediation Rules before resorting to litigation. The costs of any mediation proceedings shall be shared equally by all parties. The District and Auditors both agree that any dispute over fees charged by the accountant to the client will be submitted for resolution by arbitration in accordance with the rules of the American Arbitration Association. Such arbitration will be binding and final. **IN AGREEING TO ARBITRATION, WE BOTH ACKNOWLEDGE THAT, IN THE EVENT OF DISPUTE OVER FEES, EACH OF US IS GIVING UP THE RIGHT TO HAVE THE DISPUTE DECIDED IN A COURT OF LAW BEFORE A JUDGE OR JURY AND INSTEAD WE ARE ACCEPTING THE USE OF ARBITRATION FOR RESOLUTION.**

**Annual Report - Form and Content, Delivery**

The form and content of the annual audit shall be in conformity, to the extent practicable, with such form and content as may be prescribed by the State of California under Section 41020 of the Education Code, *Audits of State of Local Governments*, issued by the U.S. Office of Management and Budget, as issued pursuant to the Single Audit Act Amendments of 1996.

The audit shall be completed and the audit report shall be delivered in accordance with time requirements as specified in the *Standards and Procedures for Audits of California Office*, unless delayed by circumstances beyond the control of the Auditors. Fifteen (15) copies of the audit report may be rendered to the Organization, in addition to the copies required to be filed with the applicable governmental units. Copies in excess of the contract amount may be billed for an additional fee.
