# 2016-17 California State Budget

Extended economic recovery is generating additional state revenues;  
Governor Brown's proposed budget increased Prop 98 funding to \$71.6B

- Allocate \$2.8B for LCFF implementation to close approximately 49.08% of remaining gap towards schools' target rates
  - Bringing the transition to 95% complete
  - Also funding a 0.47% COLA adjustment
- Spending increases on other K-12 programs also proposed
  - \$1.6B for Early Education Block Grant to consolidate different early education programs and to better target services to low-income and at-risk children
  - Another \$1.2B for one-time discretionary funding (approx. \$200/ADA)
  - \$20M for Charter School Startup Grants to help offset the loss of federal funding
  - \$365.4M for school energy efficiency grants
- Just the first step in iterative process involving Governor and Legislature that will result in final budget being approved in June
  - In addition to out-year gap funding percentage changes, FCMAT and SSC updated 2015-16 LCFF gap funding percentage to 51.97% from 51.52%
  - At this time, no recommendation to make any changes to previous assumptions for 16-17 planning purposes
